NOTE 1 - GENERAL

Organization and Operations

Trump Marina Associates LLC (“Marina Associates” or the “Company”), a New Jersey Limited Liability Corporation, is 100% beneficially owned by Trump Entertainment Resorts Holdings, LP (“TER Holdings,” formerly known as Trump Hotels & Casino Resorts Holdings, LP (“THCR”)), a Delaware Limited Partnership. Trump Entertainment Resorts, Inc. (“TER,” formerly known as Trump Hotels & Casino Resorts, Inc.), a Delaware corporation, currently beneficially owns an approximate 76.5% profits interest in TER Holdings, as both general and limited partner, and Donald J. Trump (“Mr. Trump”) owns directly and indirectly an approximate 23.5% profits interest in TER Holdings, as a limited partner.

Marina Associates owns and operates the Trump Marina Hotel Casino (“Trump Marina”), a casino hotel located in the marina district in Atlantic City, New Jersey (the “Marina District”). Marina Associates derives its revenue from casino operations, room rental, food and beverage sales, and entertainment revenue. The casino industry in Atlantic City is seasonal in nature with the peak season being the spring and summer months.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reorganization and Emergence from Chapter 11

On November 21, 2004, Trump Hotels & Casino Resorts, Inc. and certain of its subsidiaries (collectively the “Debtors”) filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of New Jersey (the “Bankruptcy Court”), as part of a pre-arranged plan of reorganization. While in bankruptcy, the Debtors continued to manage their properties and operate their businesses as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court.

On April 5, 2005, the Bankruptcy Court entered an order confirming the Second Amended and Restated Joint Plan of Reorganization, dated as of March 30, 2005, of the Debtors, as amended (the “Plan”). The Plan became effective on May 20, 2005 (the “Effective Date”), at which time all material conditions to the Plan were satisfied and the Debtors emerged from Chapter 11.

Basis of Presentation

The accompanying financial statements have been prepared pursuant to the rules and regulations of the Casino Control Commission of the State of New Jersey (the “Commission”). In the opinion of management, all adjustments, consisting of only normal recurring adjustments necessary to present fairly the financial position, the results of operations, and cash flows for the periods presented, have been made.

From the filing of the Debtors’ Chapter 11 petition to the Effective Date, THCR and its subsidiaries operated as debtors-in-possession under the jurisdiction of the Bankruptcy Court. Accordingly, TER’s consolidated financial statements for periods prior to its emergence from Chapter 11 were prepared in accordance with the American Institute of Certified Public Accountants Statement of Position 90-7, “Financial Reporting by Entities in Reorganization under the Bankruptcy Code” (“SOP 90-7”). SOP 90-7 required TER to report pre-petition liabilities that were subject to compromise separately on its balance sheet at an estimate of the amount that would ultimately be allowed by the Bankruptcy Court. SOP 90-7 also required separate reporting of certain expenses relating to the Debtors’ Chapter 11 filings as reorganization items.

TRUMP MARINA ASSOCIATES, LLC
NOTES TO FINANCIAL STATEMENTS

(Unaudited)
(in thousands)

Upon its emergence from Chapter 11, the Company adopted fresh-start reporting in accordance with SOP 90-7. Under fresh-start reporting, a new entity was deemed to have been created for financial reporting purposes and the recorded amounts of assets and liabilities were adjusted to reflect their preliminary estimated fair values. The term, "Predecessor Company" refers to the Company for periods prior to and including May 19, 2005, and the term "Reorganized Company" refers to the Company for periods on and subsequent to May 20, 2005.

As a result of the adoption of fresh-start reporting, the Reorganized Company's post-emergence financial statements are generally not comparable with the financial statements of the Predecessor Company prior to its emergence from bankruptcy, including the historical financial statements included in this quarterly report. Due to the adoption of fresh-start reporting, the Predecessor and Reorganized Company financial statements are prepared on different bases. See Note 7 for a condensed balance sheet showing the impact of fresh-start accounting at May 20, 2005.

Financial Reporting Under the Bankruptcy Code

From November 21, 2004 to May 19, 2005, the Company accounted for its operations under SOP 90-7. In accordance with SOP 90-7, certain expenses incurred and benefits realized by the Company during the bankruptcy period were recorded as reorganization expenses in the accompanying statements of income. In order to record its debt instruments at the amount of the claims expected to be allowed by the Bankruptcy Court in accordance with SOP 90-7, as of the Chapter 11 petition date, the Company wrote off as reorganization expenses, its capitalized deferred financing fees associated with the 11.625% First Mortgage Notes due 2010 (the "TCH First Priority Notes"). Reorganization expenses include professional fees and other expenses directly associated with the bankruptcy process and the revaluation of assets and liabilities in accordance with the adoption of fresh-start reporting. The following table summarizes reorganization expenses:

		For the year ended December 31, 2005
Professional fees and expenses	\$	87
Net fresh-start reorganization loss		42,029
	\$	<u>42,116</u>

The Company's parent company incurred transaction fees associated with the refinancing which were recorded as reorganization expense of the parent company. Such fees have not been charged to the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers cash and all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Revenue Recognition and Allowance for Doubtful Accounts

The majority of our revenue is derived from gaming activities. As our gaming revenues are primarily generated from cash transactions, our revenues do not typically require the use of estimates. Gaming revenues represent the difference between amounts of gaming wins and losses. Revenues from hotel and other services are

recognized at the time the related services are performed. The Company extends credit on a discretionary basis to certain qualified patrons. Credit limits are established for approved casino customers following investigations of credit worthiness. The Company maintains an allowance for doubtful accounts based on a specific review of customer accounts as well as a review of the history of write-offs of returned markers. Management believes that the reserve recorded is reasonable; however, these estimates could change based on the actual collection experience with each returned marker.

Inventories

Inventories of provisions and supplies are carried at the lower of cost (weighted average) or market value.

Property and Equipment

The carrying value of property and equipment acquired prior to May 20, 2005 is based on its allocation of reorganization value and is being depreciated on the straight-line method using rates based on the estimated remaining useful lives. Property and equipment acquired on or after May 20, 2005 is recorded at cost. Property and equipment is depreciated on the straight-line method using rates based on the estimated annual useful lives as follows:

Buildings and building improvements	40 years
Furniture, fixtures and equipment	3 – 7 years
Leasehold improvements	25 years or remaining life of lease

Depreciation expense includes amortization of assets under capital lease obligations.

Long-Lived Assets

When events or circumstances indicate that the carrying amount of long-lived assets to be held and used might not be recoverable, the expected future undiscounted cash flows from the assets is estimated and compared with the carrying amount of the assets. If the sum of the estimated undiscounted cash flows was less than the carrying amount of the assets, an impairment loss would be recorded. The impairment loss would be measured by comparing the fair value of the assets with their carrying amount. Long-lived assets that are held for disposal are reported at the lower of the assets' carrying amount or fair value less costs related to the assets' disposition.

Goodwill

Goodwill represents our reorganization value in excess of amounts allocable to identifiable assets. Goodwill is subject to impairment testing at least annually.

Intangible Assets

Intangible assets are amortized over their estimated useful lives. Our trademarks have indefinite lives and are subject to impairment testing at least annually.

Deferred Financing Costs

Financing costs, including underwriters' discounts and direct transactional fees (including accounting, legal and printing) associated with the issuance of debt have been capitalized as deferred financing costs in the accompanying balance sheets and are being amortized to interest expense over the terms of the related debt.

Self-insurance Reserves

Self-insurance reserves represent the estimated amounts of uninsured claims related to employee health medical costs, workers' compensation and personal injury claims that have occurred in the normal course of business. These reserves are established by management based upon specific review of open claims, with consideration of incurred but not reported claims as of the balance sheet date. The costs of the ultimate disposition of these claims may differ from these reserve amounts.

Promotional Allowances

The retail value of food, beverages, hotel rooms and other services provided to patrons without charge is included in gross revenue and deducted as promotional allowances. The estimated departmental costs of providing such promotional allowances are included in costs of goods and services in the accompanying statements of income. For the years ended December 31, 2006 and 2005 these amounts consist of the following:

	<u>2006</u>	<u>2005</u>
Rooms	\$ 8,721	\$ 8,746
Food and beverage.....	19,676	19,753
Other.....	913	589
	<u>\$ 29,310</u>	<u>\$ 29,088</u>

Cash discounts based upon a negotiated amount with each affected patron are recognized as promotional allowances on the date the related revenue is recorded. Cash-back program awards based upon earning points for future redemption that are given to patrons are accrued as the patron earns the points. The amount is recorded as promotional allowances in the statements of income.

The Company offers other incentive programs. These programs include gift giveaways and other promotional programs. Management elects the type of gift and the person to whom it will be offered. Since these awards are not cash awards, the Company records them as gaming expenses in the statements of income. Such amounts are expensed on the date the award can be utilized by the patron.

Gaming Taxes

The Atlantic City Casinos are required to pay an annual tax of 8.0% on their gross casino revenues. The Company's gross revenue tax was approximately \$20,574 and \$20,063, for the years ended December 31, 2006 and 2005, respectively, and is included in costs of goods and services in the accompanying statements of income.

Stock-based Compensation

Effective May 20, 2005, the Company adopted Statement of Financial Accounting Standards No. 123 (revised 2004), "Share-Based Payment" ("SFAS 123R"). SFAS 123R requires the fair value of equity awards for new awards and previously granted awards that are not yet fully vested on the adoption date to be recognized in the financial statements. Compensation expense is recognized on a straight-line basis over the vesting period for awards granted to employees of the Company by TER.

Our Predecessor Company followed the provisions of Accounting Principles Board ("APB") Opinion No. 25, "Accounting for Stock Issued to Employees" ("APB 25") and related interpretations in accounting for its stock-based compensation awards. Under APB 25, no compensation expense was reflected in net income as all stock options granted had an exercise price equal to the market value of the underlying common stock on the date of grant.

The Credit Facility is secured by substantially all of the assets of the Issuers and Marina Associates on a priority basis. Therefore, the TER Notes and the guarantee thereof are effectively subordinated to amounts borrowed by TER under the Credit Facility. At December 31, 2006, TER had outstanding borrowings of \$147,750 and \$1,248,962 under the Credit Facility and the TER Notes, respectively.

NOTE 6 – INCOME TAXES

Federal Income Taxes

The accompanying financial statements do not include a provision for federal income taxes since the Predecessor Company was a partnership for federal income tax purposes and the Reorganized Company is a division of TER Holdings, which is taxed as a partnership for federal income tax purposes. Therefore, the Predecessor Company's income and losses are allocated and reported for federal income tax purposes by its partners and the Reorganized Company's income and losses are allocated and reported for federal income tax purposes by TER Holdings' partners.

State Income Taxes

Under the New Jersey Casino Control Act, the Company is required to file New Jersey corporation business tax returns. As of December 31, 2006, the Company has state net operating loss carryforwards of approximately \$100,900 available to offset future taxable income. The New Jersey state net operating losses expire from 2007 through 2013.

The Predecessor Company's net operating losses utilized to offset taxable income of the Reorganized Company will be recorded in the provision for income taxes as a non-cash charge in lieu of taxes and as a reduction to goodwill, if available, and additional paid-in-capital to the extent goodwill would be reduced to zero.

Federal and State Income Tax Audits

The Company is currently involved in an examination with the Internal Revenue Service (the "IRS") concerning the Company's federal partnership income tax return for the tax years 2002 through 2004. While any adjustment which results from this examination could affect its state income tax return, the Company does not believe that adjustments, if any, will have a material adverse effect on its financial condition or results of operations.

State income taxes for the Company's New Jersey operations are computed under the alternative minimum assessment method. The Company believes it is exempt from these taxes and, as such, has not remitted payments of the amounts provided. The New Jersey Division of Taxation has issued an assessment to collect the unpaid taxes for the tax years 2002 and 2003. At December 31, 2006 and 2005, the Company has accrued \$5,955 and \$4,515, respectively, for taxes and interest relating to this alternative minimum tax assessment for 2002 and 2003, as well as the open years 2004 through 2006. The Company is currently in discussions with the New Jersey Division of Taxation.

Recently Issued Accounting Pronouncements

In June 2006, the Financial Accounting Standards Board (“FASB”) issued Interpretation No. 48 (“FIN 48”), “Accounting for Uncertainty in Income Taxes,” which clarifies the accounting for uncertainty in income taxes recognized in the financial statements in accordance with FASB Statement No. 109, “Accounting for Income Taxes.” FIN 48 provides guidance on the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. FIN 48 also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosures, and transition. FIN 48 is effective for fiscal years beginning after December 15, 2006. The Company does not expect that the adoption of FIN 48 will have a material effect on its financial statements.

NOTE 7 – FRESH-START REPORTING

TER and its subsidiaries adopted fresh-start reporting upon its emergence from Chapter 11 on the Effective Date in accordance with SOP 90-7. TER and its subsidiaries are required to apply the fresh-start provisions of SOP 90-7 to its financial statements because (i) the reorganization value of the assets of the emerging entity immediately before the date of confirmation was less than the total of all post-petition liabilities and allowed claims and (ii) the holders of existing voting shares of THCR Common Stock immediately before confirmation (i.e., the holders of shares of the common stock of the Predecessor Company (the “Old Common Stock”) that were issued and outstanding prior to the commencement of the Chapter 11 proceedings) received less than 50 percent of the voting shares of the emerging entity. Under SOP 90-7, application of fresh-start reporting is required on the date on which the plan of reorganization is confirmed by a bankruptcy court, but SOP 90-7 further provides that fresh-start reporting should not be applied until all material conditions are satisfied. All material conditions to the Plan were satisfied as of May 20, 2005.

Fresh-start reporting requires that the Company adjust the historical cost of its assets and liabilities to their fair value as determined by the reorganization value of the Company as set forth in the Plan. Furthermore, the reorganization value must be allocated among the reorganized entity’s net assets in conformity with procedures specified by Statement of Financial Accounting Standards (“SFAS”) No. 141, “Business Combinations” (“SFAS 141”). The Company had engaged an independent appraiser to assist the Company in the allocation of reorganization value under the Plan to the Company’s assets and liabilities. The Company used the independent appraiser’s analysis and other information to make the allocations as of the Effective Date. The Company’s intangibles include trademarks (including a perpetual, exclusive royalty-free license of the “Trump” name and certain derivatives thereof, subject to certain terms and conditions), customer relationships and goodwill. The adoption of fresh-start reporting resulted in the following adjustments to the Company’s balance sheet as of May 20, 2005:

Casino License Renewal

The Company is subject to regulation and licensing by the New Jersey Casino Control Commission (the “CCC”). The Company’s casino license must be renewed periodically, is not transferable, is dependent upon the financial stability of the Company and can be revoked at any time. Due to the uncertainty of any license renewal application, there can be no assurance that the license will be renewed.

In June 2003, the CCC renewed the Company’s license to operate Trump Marina for the next four year period through June 25, 2007. Upon revocation, suspension for more than 120 days, or failure to renew the casino license, the Casino Control Act provides for the mandatory appointment of a conservator to take possession of the hotel and casino’s business and property, subject to all valid liens, claims and encumbrances.

Legal Proceedings

Marina Associates and certain of its employees are involved from time to time in various legal proceedings incidental to the Company’s business. While any proceeding or litigation contains an element of uncertainty, management believes that the final outcomes of these matters are not likely to have a material adverse effect on the Company’s results of operations or financial condition. In general, the Company has agreed to indemnify such persons, and its directors, against any and all losses, claims, damages, expenses (including reasonable costs, disbursements and counsel fees) and liabilities (including amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties) incurred by them in said legal proceedings absent a showing of such persons’ gross negligence or malfeasance.

Casino Reinvestment Development Authority Obligations

Pursuant to the provisions of the Casino Control Act, the Company must either obtain investment tax credits, as defined in the Casino Control Act, in an amount equivalent to 1.25% of its gross casino revenues, as defined in the Casino Control Act, or pay an alternative tax of 2.5% of its gross casino revenues. Investment tax credits may be obtained by making qualified investments, as defined, or by depositing funds which may be

converted to bonds by the Casino Reinvestment Development Authority (the “CRDA”), both of which bear interest at two-thirds of market rates resulting in a fair value lower than cost. The Company is required to make quarterly deposits with the CRDA to satisfy its investment obligations.

For the years ended December 31, 2006 and 2005, the Company charged to operations \$883 and \$1,034, respectively, to give effect to the below market interest rates associated with CRDA deposits and bonds. From time to time, the Company has elected to donate funds it has on deposit with the CRDA for various projects. The Company is not obligated to make donations to any specific project and elects to donate funds based on the specific facts of each potential donation transaction.

On April 12, 2004, the twelve Atlantic City casino properties, including Trump Marina, executed an agreement with the New Jersey Sports & Exposition Authority (“NJSEA”) and the CRDA to, among other things, enhance purses, fund breeders’ awards, and establish account wagering at New Jersey horse racing tracks (“NJSEA Subsidy Agreement”). The NJSEA Subsidy Agreement provides that the casinos, pro rata according to their gross revenues, shall: (a) pay \$34,000 to the NJSEA in cash in four yearly payments through October 15, 2007 and donate \$52,000 to the NJSEA from the regular payment of their CRDA obligations for use by the NJSEA through 2008 to enhance such purses, fund such breeders’ awards, and establish such account wagering; and (b) donate \$10,000 from the regular payment of their CRDA obligations for use by the CRDA as grants to such other North Jersey projects as the CRDA shall determine. These cash payments and donations of CRDA obligations are conditioned upon the timely enactment and funding of the Casino Expansion Fund Act, which was enacted effective August 25, 2004 and established the Atlantic City Expansion Fund. The Act further identifies the casino hotel room occupancy fee as its funding source and directs the CRDA to provide the fund with \$62,000 and make that amount available, on a pro rata basis, to each casino licensee for investment. By statute, as amended as of January 26, 2005, such funds shall be invested in eligible projects in Atlantic City which, if approved by the CRDA, would add hotel rooms, retail, dining or non-gaming entertainment venues or other non-gaming amenities including, in certain circumstances, parking spaces or, if approved thereafter, additional hotel rooms. The Company has estimated its portion of the industry obligation at approximately 5.4%.

The NJSEA Subsidy Agreement further provides for a moratorium until January 2009 on the conduct of casino gaming at any New Jersey racetrack (unless casinos controlling a majority of the hotel rooms operated by the casinos in Atlantic City otherwise agree). Violation of the moratorium terminates the NJSEA Subsidy Agreement and all further payment obligations to the NJSEA and requires the NJSEA to return all undistributed cash to the casinos and the CRDA to return all undistributed donated investment alternative tax obligation payments to the casinos.
